

# ABA SCHOOLS' RESULTS: SCHOOL YEAR 2009-2010

## FACTS

- Operated five schools in two counties and served more than 300 students
- Over 35% of our Students with Emotional and Behavioral needs (ED/BD) transitioned to a Less Restrictive Environment (LRE)
- Average length of treatment/programming for ED/BD students was less than 10 months prior to transition

## RESULTS

- Over 90% Parent approval rating of programming and services
- Over a 95% District/Customer approval rating for the SY 2009-2010
  - ABA Schools provide high quality and effective programming
  - Programming meets student needs
  - ABA offers a quality learning environment
- 100% of our surveyed Customers reported willingness to recommend our programming to a colleague

***“I like the challenges given to my child. Staff are able to see where he exceeds and they challenge my son’s academics. The results are noticeable.”***
